

# THE FACULTY

---

**Aber, Janice**, Lecturer of Chemistry  
PhD, Polytechnic University

**Arnold, Stephen**, Thomas Potts Professor of Physics,  
University Professor of Physics  
PhD, City University of New York

**Aronov, Boris**, Professor of Computer Science  
PhD, New York University

**Bain, Jonathan**, Associate Professor of Philosophy of Science  
PhD, University of Pittsburgh

**Balaban, Philip**, Research Professor of Electrical and Computer  
Engineering  
PhD, Polytechnic University

**Barinov Victor**, Lecturer of Physics  
PhD, Academy of Science of the Ukraine

**Becker, Kurt**, Professor of Physics, Associate Provost for  
Research and Technology Initiative  
PhD, Universität des Saarlandes, Germany

**Berger, Franziska**, Industry Assistant Professor of Mathematics  
PhD, University of Munich

**Blecherman, Barry S.**, Industry Associate Professor and  
Deputy Department Chair of Finance and Risk Engineering,  
Co-Director of MS in Financial Engineering, Director of  
Undergraduate Programs in Finance  
PhD, Wharton School, University of Pennsylvania

**Brönnimann, Hervé**, Computer Science  
PhD, Princeton University

**Bugliarello, George**, University Professor, University President  
Emeritus  
ScD, Massachusetts Institute of Technology

**Cassara, Frank A.**, Professor of Electrical and Computer  
Engineering, Director of Long Island Graduate Center  
PhD, Polytechnic University

**Chang, David C.**, Professor of Electrical and Computer  
Engineering, University Chancellor  
PhD, Harvard University

**Chao, H. Jonathan**, Professor of Electrical and Computer  
Engineering, Head of Department of Electrical and Computer  
Engineering  
PhD, Ohio State University

**Chiang, Yi-Jen**, Associate Professor of Computer Science  
PhD, Brown University

**Chiarelli, Lawrence**, PE, Esq, Industry Professor of  
Construction Management  
JD, Brooklyn Law School; MS, Cooper Union

**Chudnovsky, David V.**, Distinguished Industry Professor of  
Mathematics, Co-director of Institute of Mathematics and  
Advanced Supercomputing  
PhD, Institute of Mathematics, Ukrainian Academy of Science

**Chudnovsky, Gregory V.**, Distinguished Industry Professor  
of Mathematics, Co-director of Institute of Mathematics and  
Advanced Supercomputing  
PhD, Institute of Mathematics, Ukrainian Academy of Science

**Cowman, Mary K.**, Professor of Biochemistry, Director of  
Othmer Institute for Interdisciplinary Studies  
PhD, Case Western Reserve University

**Czarkowski, Dariusz**, Associate Professor of Electrical and  
Computer Engineering  
PhD, University of Florida

**Das, Nirod K.**, Associate Professor of Electrical and Computer  
Engineering  
PhD, University of Massachusetts

**De Leon, Francisco**, Associate Professor of Electrical and  
Computer Engineering  
PhD, University of Toronto

**Delis, Alex**, Associate Professor of Computer Science  
PhD, University of Maryland at College Park

**DiBartolo, S. John**, Lecturer of Physics  
PhD, University of Virginia

**Doucette, David R.**, Industry Professor of Computer Science  
PhD, Polytechnic University

**Edwards, Alph**, Instructor of English  
MA, Hunter College

**Erkip, Elza**, Associate Professor of Electrical and Computer  
Engineering  
PhD, Stanford University

**Falocchio, John C.**, Professor of Transportation Planning and  
Engineering, Executive Director of Transportation Research  
Institute and Urban Intelligent Transportation Systems Center  
PhD, Polytechnic University

**Feroli, Teresa**, Assistant Professor of English  
PhD, Cornell University

**Flynn, Robert J.**, Industry Professor of Computer Science  
PhD, Polytechnic University

**Folan, Lorcan M.**, Associate Professor of Physics, Head of  
Department of Introductory Design and Science  
PhD, Polytechnic University

**Frankl, Phyllis G.**, Professor of Computer Science  
PhD, New York University

**Gallagher, Evan**, Instructor of Computer Science  
MS, New York University

**Gallagher, Jean**, Associate Professor of English  
PhD, City University of New York Graduate Center

**Garetz, Bruce A.**, Professor of Physical Chemistry, Head of  
Department of Chemical and Biological Sciences  
PhD, Massachusetts Institute of Technology

**Georgi, Gunter W.**, Industry Professor of Engineering and  
Computer Science  
MS, Columbia University

**Ghandehari, Masoud**, Associate Professor of Civil Engineering  
PhD, Northwestern University

**Gluckman, Joshua**, Assistant Professor of Computer Science  
PhD, Columbia University

**Goodman, David J.**, Professor of Electrical and Computer  
Engineering  
PhD, Imperial College, University of London (England)

## THE FACULTY

**Green, Mark M.**, Professor of Organic Chemistry  
PhD, Princeton University

**Greenstein, Michael**, Industry Professor of Manufacturing Engineering  
MBA, University of Louisville

**Griffis, Fletcher H.**, Professor and head of Civil Engineering Director of Center for Construction Management Technology  
PhD, Oklahoma State University

**Gross, Richard A.**, Herman F. Mark Professor of Polymer Science, Director of NSF Center on Biocatalysis and Bioprocessing of Macromolecules  
PhD, Polytechnic University

**Guleryuz, Onur G.**, Research Professor of Electrical and Computer Engineering  
PhD, University of Illinois at Urbana Champaign

**Gupta, Nikhil**, Assistant Professor of Mechanical Engineering  
PhD, Louisiana State University

**Hadimioglu, Haldun**, Industry Professor of Computer Science  
PhD, Polytechnic University

**Hellerstein, Lisa**, Associate Professor of Computer Science  
PhD, University of California at Berkeley

**Horwitch, Mel**, Professor of Management, Director of Institute for Technology and Enterprise, Co-director of Executive Management Master's Program  
DBA, Harvard University

**Hultin, Jerry M.**, Industry Professor of Law, Management and Public Policy; University President  
JD, Yale University

**Iacono, John**, Associate Professor of Computer Science  
PhD, Rutgers University

**Iskander, Magued G.**, Associate Professor of Civil Engineering  
PhD, University of Texas at Austin

**Jackson, Myles W.**, Dibner Family Professor of History of Technology and Science,  
PhD, Cambridge University

**Jiang, Zhong-Ping**, Professor of Electrical and Computer Engineering  
PhD, École des Mines de Paris (France)

**Joesten, Michael**, Lecturer of Biology  
PhD, St. John's University

**Juran, Ilan**, Professor of Civil Engineering, Executive Director of Urban Infrastructure Institute  
PhD, DSc, University of Paris VI, École Nationale des Ponts et Chaussées (France)

**Juretschke, Hellmut J.**, Professor Emeritus of Physics  
PhD, Harvard University

**Kalkhoran, Iraj M.**, Associate Professor of Aerospace Engineering and Dean of Undergraduate Academics  
PhD, University of Texas at Arlington

**Kapila, Vikram**, Associate Professor of Mechanical Engineering  
PhD, Georgia Institute of Technology

**Karri, Ramesh**, Associate Professor of Electrical and Computer Engineering  
PhD, University of California at San Diego

**Katz-Braunschweig, Daniel**, Instructor of Computer Science  
MS, Iona College

**Kaufman, Harold G.**, Professor of Management, Director of Organizational Behavior Program, Director of MS in Management Program Extension in Israel  
PhD, New York University

**Khan, Sadrul A.**, Instructor of History  
PhD, Ludwig Maximilian University (Germany)

**Khorrami, Farshad**, Professor of Electrical and Computer Engineering  
PhD, Ohio State University

**Kim, Jin R.**, Joseph J. And Violet J. Jacobs Assistant Professor of Chemical and Biological Engineering  
PhD University of Wisconsin - Madison

**King, Carolyn D.**, Lecturer of Mathematics  
MA, New York University

**Knox, Michael**, Industry Associate Professor of Electrical and Computer Engineering  
MSEE, Polytechnic University

**Kostarelos, Kostantinos**, Assistant Professor of Environmental Engineering  
PhD, University of Texas at Austin

**Kriftcher, Noel N.**, Industry Professor of Humanities, Executive Director of David Packard Center for Technology and Educational Alliances  
EdD, Hofstra University

**Kuiken, Kathryn**, Associate Professor of Mathematics  
PhD, Polytechnic University

**Kumar, Sunil**, Professor of Mechanical Engineering, Graduate Dean and Associate Provost  
PhD, University of California at Berkeley

**Kuo, Spencer P.**, Professor of Electrical and Computer Engineering and Electrophysics  
PhD, Polytechnic University

**Kwak, Nancy H.**, Assistant Professor of History  
PhD, Columbia University

**Landau, Gad M.**, Research Professor of Computer Science  
PhD, Tel-Aviv University (Israel)

**Leung, K. Ming**, Professor of Physics and Computer Science  
PhD, University of Wisconsin

**Levicky, Rastislav**, Donald F. Othmer Assistant Professor of Chemical and Biological Engineering  
PhD University of Minnesota

**Levon, Kalle M.**, Professor of Chemistry  
DrAgr, University of Tokyo (Japan)

**Lewin, Menachem**, Research Professor of Polymer Science and Engineering  
PhD, Hebrew University (Israel)

**Lewis, James P.**, Instructor of Humanities  
MA, Stony Brook University

**Linsky, Elisa**, Instructor of Technical Communications  
BA, Wittenberg University

**Liu, Yong**, Assistant Professor of Electrical and Computer Engineering  
PhD, University of Massachusetts at Amherst

**Lu, I-Tai**, Professor of Electrical and Computer Engineering  
PhD, Polytechnic University

**Lubrano, Ann**, Industry Associate Professor of Sociology, Vice President Strategic Initiatives and Chief of Staff  
PhD, City University of New York

- Ludwig, Monika**, Professor of Mathematics  
PhD, University of Vienna
- Lutwak, Erwin**, Professor of Mathematics, Head of  
Department of Mathematics  
PhD, Polytechnic University
- Maloof, Roula**, Lecturer of Civil Engineering  
PhD, Polytechnic University
- Manocha, Harvansh**, Adjunct Professor of Mathematics  
PhD, Panjab University (India)
- Marks, Sylvia Kasey**, Associate Professor of English  
PhD, Princeton University
- Martucci, Charles P.**, Lecturer of Chemistry  
PhD, Columbia University
- McShane, William, R.**, Professor Emeritus  
PhD, Polytechnic University
- Memon, Nasir**, Professor of Computer Science  
PhD, University of Nebraska
- Mijovic, Jovan**, Professor of Chemical Engineering,  
Head of Othmer-Jacobs Department of Chemical and  
Biological Engineering  
PhD, University of Wisconsin at Madison
- Miller, Edward Y.**, Professor of Mathematics  
PhD, Harvard University
- Molof, Alan H.**, Associate Professor of Environmental  
Engineering  
PhD, University of Michigan
- Montclare, Jin Kim**, Assistant Professor of Biological Chemistry  
PhD, Yale University
- Mugglin, David T.**, Instructor of Physics  
PhD, Lehigh University
- Mulcahy, Francis David**, Associate Professor of Anthropology  
PhD, University of Massachusetts
- Nadler, Alan M.**, Instructor of English  
MFA Columbia University
- Naumovich, Gleb**, Associate Professor of Computer Science  
PhD, University of Massachusetts at Amherst
- Nourbakhsh, Said**, Professor of Materials Science,  
Department of Mechanical and Aerospace Engineering  
PhD, Leeds University (England)
- Nov, Oded**, Assistant Professor of Management  
PhD, University of Cambridge, Judge Institute of  
Management (England)
- Novomestky, Fredrick**, Industry Professor of Finance and Risk  
Engineering,  
PhD, Polytechnic University
- Okamoto, Yoshiyuki**, Research Professor of Organic and  
Polymer Chemistry, Director of Polymer Research Institute  
PhD, Purdue University
- Ötügen, M. Volkan**, Professor of Mechanical Engineering  
PhD, Drexel University
- Panwar, Shivendra S.**, Professor of Electrical and Computer En-  
gineering, Director of Center for Advanced Technology in  
Telecommunications  
PhD, University of Massachusetts at Amherst
- Pauliny, Tara**, Assistant Professor of Rhetoric and Composition  
Ph.D., Ohio State University
- Pearce, Eli M.**, University Research Professor  
PhD, Polytechnic University
- Peterburgsky, Stanley**, Assistant Professor of Finance and  
Risk Engineering  
PhD, Columbia University
- Phillips, Donald S.**, Lecturer of Psychology  
BS, Polytechnic University
- Pillai, S. Unnikrishna**, Professor of Electrical and Computer  
Engineering  
PhD, University of Pennsylvania
- Plesniak, Michael**, Eugene Kleiner Professor for Innovation in  
Mechanical Engineering  
PhD, Stanford University
- Pollack, Myron I.**, Lecturer of Chemistry  
PhD, New York University
- Prassas, Elena S.**, Associate Professor of Transportation  
Engineering  
PhD, Polytechnic University
- Porfiri, Maurizio**, Assistant Professor of Mechanical Engineering  
PhD, Virginia Polytechnic Institute
- Puleri, Dorjan**, Instructor of Mathematics  
MS, Polytechnic University
- Rao, Bharat, P.**, Associate Professor of Management  
PhD, University of Georgia
- Reiser, Arnost**, Distinguished Research Professor of Chemistry  
DrIng, University of Prague (Czech Republic)
- Roess, Roger P.**, Professor of Transportation Engineering,  
Head of Department of Civil Engineering  
PhD, Polytechnic University
- Rogers, Joel C. W.**, Associate Professor of Mathematics  
PhD, Massachusetts Institute of Technology
- Rose, Garrett S.**, Assistant Professor of Electrical and Computer  
Engineering  
PhD, University of Virginia
- Ross, Keith W.**, Leonard J. Shustek Distinguished Professor of  
Computer Science  
PhD, University of Michigan
- Saxena, Nitesh**, Assistant Professor of Computer Science  
PhD, University of California, Irvine
- Scheiner, Lowell L.**, Associate Professor of Humanities and  
Communications  
MS, Columbia University, Graduate School of Journalism;  
MA, Columbia University
- Meredith Schuman**, Instructor of English  
MFA, Brooklyn College
- Selesnick, Ivan W.**, Associate Professor of Electrical and  
Computer Engineering  
PhD, Rice University
- Sheverev, Valery A.**, Industry Associate Professor of Physics,  
Director of Physics Laboratory Program  
PhD, Saint-Petersburg State University (Russia)
- Skelton, Carl**, Assistant Professor of Digital Media, Director of  
Integrated Digital Media Institute  
MVA, University of Alberta (Canada)
- Sjursen, Harold P.**, Industry Professor of Philosophy, Director  
of Center for History and Philosophy of Technology and Social  
Studies  
PhD, New School University

## THE FACULTY

**Soffer, Jonathan**, Associate Professor of History  
PhD, Columbia University

**Sofou, Stavroula**, Assistant Professor of Chemical Engineering  
PhD, Columbia University

**Steele, Stuart A.**, Industry Professor of Computer Science,  
Head of Department of Computer and Information Science  
PhD, Pennsylvania State University

**Stancu, Alina**, Instructor of Mathematics  
PhD, University of Rochester

**Andrej Stefanov**, Assistant Professor of Electrical and Computer  
Engineering  
PhD, Arizona State University

**Sterling, John B.**, Lecturer of Computer Science  
MS, New York University

**Strauss, Fred J.**, Industry Associate Professor of Computer Science  
MS, Polytechnic University

**Suel, Torsten**, Associate Professor of Computer Science  
PhD, University of Texas

**Sugla, Binay**, Research Professor of Computer Science  
PhD, University of Massachusetts, Amherst

**Sviedrys, Romualdas**, Associate Professor of History  
of Technology  
PhD, Johns Hopkins University

**Tapiero, Charles S.**, the Morton and Angela Topfer Chair  
Distinguished Professor in Financial Engineering and  
Technology Management, Head of Department of Finance  
and Risk Engineering  
PhD, New York University

**Teraoka, Iwao**, Associate Professor of Polymer Chemistry  
PhD, University of Tokyo (Japan)

**Thorsen, Richard S.**, Associate Professor and Head, Depart-  
ment of Mechanical and Aerospace Engineering, Vice President  
for Academic Affairs  
PhD, New York University

**Tsifrinovich, Vladimir I.**, Lecturer of Physics  
DSc, Academy of Science of the USSR

**Ulerio, Jose M.**, Industry Associate Professor of Transportation  
Engineering  
MS, Polytechnic University

**Ulman, Abraham**, Professor of Chemistry  
PhD, The Weizmann Institute (Israel)

**Van Slyke, Richard**, Professor of Electrical Engineering and  
Computer Science  
PhD, University of California at Berkeley

**Van Wagenen, Lindsey**, Lecturer of Mathematics  
PhD, Columbia University

**Voltz, Peter J.**, Associate Professor of Electrical and Computer  
Engineering  
PhD, Polytechnic University

**Vulfson, Evgeny**, Industry Professor of Biotechnology  
PhD, Moscow State University

**Vradis, George C.**, Associate Professor of Mechanical Engineering  
JD, Brooklyn Law School  
PhD, Polytechnic University

**Wang, Yao**, Professor of Electrical and Computer Engineering  
PhD, University of California at Santa Barbara

**Weil, Edward D.**, Research Professor in Polymer Research  
Institute  
PhD, University of Illinois

**Wein, Joel**, Associate Professor of Computer Science  
PhD, Massachusetts Institute of Technology

**Wener, Richard E.**, Associate Professor of Psychology, Head of  
Department of Humanities and Social Sciences

**Whang, Sung H.**, Professor of Materials Science  
DEngSc, Columbia University

**Williams, Blair R.**, Industry Professor of Mechanical Engineering  
MBS, University of Chicago

**Wolf, Edward L.**, Professor of Physics  
PhD, Cornell University

**Wong, Edward K.**, Associate Professor of Computer Science  
PhD, Purdue University

**Wu, Xiaolin**, Research Professor of Computer Science  
PhD, University of Calgary (Canada)

**Xi, Kang**, Industry Assistant Professor of Electrical and  
Computer Engineering  
PhD, Tsinghua University (China)

**Xu, Yang**, Visiting Assistant Professor of Electrical and  
Computer Engineering  
PhD, Tsinghua University (China)

**Yang, Deane**, Professor of Mathematics  
PhD, Harvard University

**Yang, Mike**, Research Professor of Electrical and Computer  
Engineering  
PhD, Harvard University

**Yang, Yisong**, Professor of Mathematics  
PhD, University of Massachusetts at Amherst

**Zabar, Zivan**, Professor of Electrical and Computer Engineering  
ScD, Technion (Israel)

**Zhang, Gaoyong**, Professor of Mathematics  
PhD, Temple University

**Ziegler, Edward N.**, Associate Professor of Chemical Engineering  
PhD, Northwestern University

**Ziv, Nina D.**, Industry Associate Professor of Management,  
Academic Director of Institute for Technology and Enterprise  
Co-Director of Executive Management Master's Programs  
PhD, New York University

**Zurawsky, Walter P.**, Associate Professor of Chemical Engineering  
PhD, University of Illinois
